- **# Screens Completed on Time** is the number of screens due up to the date of the checkpoint.
- **# Screens Completed to Date** is the number of screens completed, regardless of date, even if it's after the cutoff date.

PIMS62A: Participant Outcome Checkpoints to Date Summary

Overall Summary

For each participant, this takes all checkpoints required for them, including those checkpoints occurring prior to their latest checkpoint, up to their **service end date** or the site's **cutoff date**.

Following is a description of each column:

- **Last Checkpoint** lists each possible checkpoint for each outcome, up to the latest checkpoint required for one or more participants.
- **# Screens Expected** is the **Minimum # of Screens Due by the time** as defined in the **Outcome Instrument Checkpoints** Form.
- **# Families Eligible** is the # of families which have reached this checkpoint, including families which are eligible for even later checkpoints
- **On Time** summarizes completion of checkpoints on time
 - **0 screens** is the # and percent of families not completing any screens
 - **1+ screens** is the # and percent of families completing one or more screens
 - **All Screens** is the # and percent of families completing at least the minimum number of screens due at this checkpoint.
- **To Date** summarizes completion of screens regardless of date for those families eligible at this checkpoint.
 - **0 screens** is the # and percent of families not completing any screens
 - **1+ screens** is the # and percent of families completing one or more screens
 - **All Screens** is the # and percent of families completing at least the minimum number of screens due at this checkpoint.

Summary by Latest Checkpoint

For each participant, this takes the latest checkpoint required for them. This essentially summarizes the individual checkpoint status of each participant in PIMS62,

The columns are similar to the section above. The difference is that each participant is only counted for the latest checkpoint they have reached.
